Re: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015
- Revision in Credit Rating

This is to inform that CARE Ratings Limited, has downgraded the existing rating availed by the Company for the following facility:

Facility	Revised Rating	Rating Action
Long Term Bank Facilities	CARE BBB+; Stable (Triple B Plus; Outlook: Stable)	Downgraded from CARE A-; Negative (Single A Minus; Negative)

Rationale of the Rating Action:

CARE Ratings Limited has adjusted the long-term bank facility rating of the Company from CARE A- to CARE BBB+ due to historical pressures on operating profitability, the rating agency simultaneously resolved its outlook from Negative to Stable, recognizing the company's robust structural strengths. This stabilization is backed by a successful financial turnaround that has propelled EBITDA from negative to positive territory. Furthermore, Company has maintained the balance sheet as a completely debt-free enterprise with a net cash position and zero term-debt obligations. By funding its entire operational working capital strictly through its own liquid surplus funds without relying on any fresh borrowings, the company exhibits superior financial flexibility that strongly mitigates short-term profitability pressures.

Thanking you and always assuring you our best cooperation.

Yours faithfully,
For JK Agri Genetics Ltd.
